General LMI

► The Council of the city of Parksville has approved the purchase of 97 acres of land from the Ermineskin Cree Nation for 1.3 million dollars. The land is planned to be maintained as a park in perpetuity. Vancouver Island Business Examiner October 2017, page 3.

► The salmon aquaculture industry on Vancouver Island has showed large amounts of growth in the past three years. During this time employment in the industry has grown 33% resulting in an increase to over 1600 jobs with \$1.5 billion put towards the BC economy. The total output increased 37% which resulted in an increase of over \$417,000.00. Record high salmon prices in the past three years has assisted in unprecedented investment in farming infrastructure, processing plants, land based hatcheries, and marine vessels. This has led to increased business performance as well as an increase in environmental and biological performance. Vancouver Island Business Examiner October 2017, page 5.
