New regulations streamline pathway for international credentials

Internationally educated professionals will soon have a more streamlined, efficient and transparent process to get their credentials recognized in B.C.

Forest Professionals BC (FPBC)

Forest professionals in British Columbia are a regulated profession, much like lawyers, accountants, doctors, dentists, and engineers. Under the

authority of the Professional Governance Act (PGA), FPBC is responsible for regulating and registering the people practicing professional forestry in BC. If you are considering a career in forestry, [explore their Career Page here!](#)

Networking

Statistics show that 80% of job vacancies are not advertised. In some regions, that percentage is higher. Networking is a vital way to identify work opportunities and connect with potential employers in the “hidden” job market.

Victoria’s Tech Sector Surges

Looking for work in the tech sector but don’t want to move to Victoria? Curate and accelerate your remote job search. Job hunting can be tedious and noisy. Let WWR find the best remote opportunities that are tailored to you. Explore remote work opportunities with [We Work remotely!](#)

Reconciliation with a paycheque: How a new focus on good jobs is helping young Indigenous people and B.C.'s economy

From UBC classes to construction sites, there's a new focus on careers for Indigenous people. Learn why that's important for healing and the economy.

The WorkBC Wage Subsidy program can help you land your next job

If you are currently meeting with an Employment Consultant, you're eligible to be matched with a business or not-for profit employer that commits to offering support, supervision and on-the-job-training. As a new employee, you’ll develop your skills and the employer is reimbursed for a portion of the wages they pay you. It’s a win-win. The application process is simple and the results in our communities are positive. **Contact Employment Consultant for details.**

Funded Skills Training and Supports programs

The current list of Skills Training and Support programs for young adults and those experiencing multiple barriers to employment on Vancouver Island is now available. Several programs are delivered in Nanaimo, Port Alberni, Comox, Parksville or online. Ask your Employment Consultant for more info.

Record-low navy recruitment creates technician deficit at B.C. base

As the Royal Canadian Navy (RCN) continues to face record-low recruitment, marine technicians are hoping for change as the trade continues to see some of the highest attrition rates among the navy. If you have ever considered a career with the Canadian Navy, you can [explore Canadian Royal Navy career opportunities here!](#)

Career Planning for Youth - Resources for Parents

You want your youth to be successful and happy in their future career, but how do you help them make the right choice? Data from Canadian career planning advocacy group CERIC found 71.7 per cent of clients said they wished they had understood themselves better and chosen a career that aligned with their values. The [Resources for Parents](#) section on WorkBC.ca provides seven modules with tips, tools and fun activities that will take you and your youth on a journey of self-exploration that prepares them for their work lives.

Fair pay, basic protections coming for gig workers

The Province has finalized regulations to provide fairness, minimum-wage measures and basic protections for app-based ride-hailing and delivery workers in British Columbia. The regulations, a first in Canada, will come into effect on Sept. 3, 2024. They will apply to those who work for apps such as Uber, Lyft, Uber Eats, SkiptheDishes, DoorDash and others.

Presenting 10 new Career Trek videos

When exploring career options, it's important to understand what a typical day looks like in a career you are considering. Career Trek videos are an accessible way to explore different career options. They feature interviews

with people throughout B.C. who talk about their job duties, what their days look and feel like, and what they find rewarding and challenging in their careers and industries.
